PARENT NOTICE

Earlier this year, a new law came into effect that directed the Commissioner of Education to appoint a Monitor to provide oversight, guidance and technical assistance related to the academic and fiscal policies, practices, programs and decisions of the Rochester City School District, the Board of Education, and the Superintendent. This law requires that the Monitor to conduct public hearings on three issues. The first hearing sought public comment on the existing statutory and regulatory authority of the Commissioner, the State Education Department, and the Board of Regents regarding school district governance and intervention under applicable State law and regulations. The second public hearing sought public comment on the academic performance of the district. A third public hearing will seek public comment on the fiscal performance of the District. These public hearings will assist the monitor as she develops an academic improvement and fiscal plan for the district and supports the district’s development of its budgets beginning with the budget for 2021-22 school year.

The public hearing on the topic of fiscal performance will be conducted via Zoom Conferencing on July 22, 2020 from 5:00-6:30 p.m. **To speak at the public hearing, please e-mail statemonitor@rcsdk12.org and you will be sent the Zoom Conferencing meeting number, password, and call in information.
